

If you have more than one intern, you need only to fill out one program evaluation.
Answer the questions with all interns that you supervised in mind.

AOIT Internship Program Evaluation

Thank you for participating in the AOIT Internship Program and hosting a high school student as an intern. In an effort to improve the experience for employers and students, we would appreciate you completing this program evaluation.

Company Name: _____

Work Supervisor Name and Title: _____

Student Name(s): _____ Date: _____

Please circle the appropriate response.

1. Please indicate the level of job interest demonstrated by your intern.

Not Interested Moderately Interested Somewhat Interested Very Interested

2. Did the intern ask questions directly related to the application of skills required for the job?

Yes No

3. Did the student have the opportunity to interact with more than one individual during the internship experience?

Yes No

4. Did the student dress appropriately for the environment in which the internship took place?

Yes No

5. Please comment on the number of days that was required that was required for the internship experience.

Too Long About Right Not Enough Time

6. What could have been done to help make the experience more meaningful for the student and/or employer?

7. Please comment on the on-line evaluation system (was it helpful/convenient, were there bugs or areas which could be improved, etc.?).

8. Will your company continue to participate in the AOIT Internship Program?

Yes No
